

# RANIA ASHRAF MOHAMED SALAMA

: Zahraa el maadi – Cairo - Egypt  
Mobile: 01068503684 -01285626343  
Marital Status: Single  
Birth Date: 19 / 9 / 1996  
Email: rania.ashraf525@gmail.com

## Personal statement

---

A highly motivated and hardworking individual. Seeking a job opportunity in the engineering industry to build upon a keen scientific interest and start a career as an electrical engineer. Eventual career goal is to become a fully-qualified and experienced automation engineer, with the longer-term aspiration of moving into project management.

## Education

---

- University: Benha.
- Faculty: Shoubra Faculty of Engineering.
- Major: Electrical Power and Machines Engineering.
- Year: 2019
- Cumulative Grade: Very-Good
- Graduation Project. Distribution Project ,Light current and PV system for (Hospital)
- Graduation Project Grade Excellent

## Internships and Courses

---

- **InnovEgypt Program. (Feb 2019)**

InnovEgypt Program is an undergraduate unique program in the area of innovation and entrepreneurship directed to university students.

- **ECG Summer Training Program APE Electrical Program. (Aug 2018)**

Distribution project "university in KSA consists of 3 zones"

SCORE **97%** "Excellent"

By this project I become familiar with (AUTOCAD 2D, DIALUX, ECODIAL "Advance Calculation from Schneider", SIEMENS SIMATIC STEP 7 v5.5, ETAP).

ALSO thanks to the training in "APE" has become quite knowledgeable in the field of distribution, lighting Design, MEP Coordination and Earthing System.

ALSO by them I learned How to deal with Codes & Catalogues.

Companies which have supported us (3 Brothers, Schneider, Fagerult, ELSEWEDY).

In Fact the best thing I have learned in "APE" is how to work in a team

Finally one of the sayings of the inspiring journey **"treasure in the journey"**.

- **EL Nasr for Transformer .(Aug 2017)**

- **Benha Electronic Industries Company .(July 2017)**

- **EMAS Company .(July 2016)**

- **ELSEWEDY Cables**

- **Philips "Signify"**

"All References/Certificates are available upon request"

## Work Experiences

---

- **Electrical Design Engineer at Electromechanical Design Group "EDG" From (1\_Sep 2019 To Dec 2019 ).**
- **Teaching assistant at electrical power department in faculty of engineering at Misr University for Science and Technology "MUST" From (1\_Jan 2019 Till Now ).**

## Personal Skills

---

- Ability to work under pressure and skilled at leading.
- Proficiency in dealing with difficult business tasks.
- Good and excellent communication skills.
- Excellent ability to deal with general customers and solving problems.
- Team working and managing groups.

## Voluntary Works

---

- **Head of media of Cairo branch of splashes of hope. (June 2015 – Jan 2016)**  
A charity project aiming at development of the public paediatric hospitals through art.

## Language Skills

---

- Arabic: Mother tongue
- English: Very Good command of English both written and spoken.
- Deutch: Good..

## Technical Skills

---

- AutoCAD 2D-Basics.
- MATLAB and Simulink Programming.
- Ecodial
- ETAP
- Dialux and Dialux evo
