Quwesna, Minufiya

## Education

---

### Faculty of Engineering Minufiya University

Bachelor's degree, Electrical Power and Machines Engineering.

Grade: 83.11% (very good with honors)

2018 – 2023

### Graduation Project

“design and implementation of drive system for electric vehicle application“

Grade: Excellent

## Experience

---

### Trainee

Electromechanical Design Group

Aug 2021 - Sep 2021 (month)

- Electrical Distribution

### Trainee

HA Consulting Group

Aug 2022 - oct 2022 (2 months)

- Classic Control
- PLC Basic Programming
- ATS Circuit
- MOTOR Drives
- Sensors

### Course

American university in cairo

Fundamentals of project management

18 sep 2022 – 21 sep 2022 (4 days)

### Trainee

Elsewedy Electric Cable Accessories Factory and Egyptian Engineering Syndicate Building

MV premolded cable accessories (Joint, Termination and ELBOW) up to 36KV

13 sep 2022 and 22 sep 2022 (2 days)

## **Activities:**

### **A scientific visit to the wind power station**

Jabal EL-Zayt in Egypt

2022

### **A scientific visit to the DMC factory**

Arab Organization for Industrialization

2023

### **A scientific visit to the aircraft engine factory**

Arab Organization for Industrialization

2023

## **Events:**

### **Fem Power Summit**

Greek camps- cairo

2023

## **Skills:**

- Electrical Engineering
- Microsoft office programs
- PLC
- TIA portal
- Factory IO
- CADE simulation program
- Classic Control
- Control Systems
- Electric Motors
- AutoCAD
- Dialux\_Evo
- LogixPro

## **Language skills:**

Arabic Native

English Good
