Address: Nasr-city, Egypt (Ready To Relocate)

Cellular: 01065795681

E-Mail: eman.20.jul.1999@gmail.com

Career Objective

A fresh graduate engineer who is looking for a position as a research or teacher assistant in a college where I put my knowledge and skills into practice, achieve more progress, learn new things.

Education

2017-2022

- Faculty : faculty of engineering Al Azhar university.
- Bachelor of Science (**B.Sc**) in Electrical Engineering
- **Major** :Communication & Electronics department.
- **Grade** : Excellent
- **Graduation Project**:. Design approach for patch antenna characterization
- Graduation Project Grade: Excellent .

Technical Skills

Programming Languages:

- C++,Python, Matlab . (basic)

Basic Knowledge:

- **Good Knowledge about CST Microwave studio**
 - Basic knowledge bout **ADS**
 - Concerns about microwave devices, waveguides,MIMO Antennas,phased array&Beamforming
 - Concerns about computer network, routing and switching.
 - Concerns about GSM, UMTS, LTE, LTE advanced technologys
- Research paper : **A simple model to compute the characteristic parameters of a slotted Rectangular Microstrip patch antenna**

Tools:

- **CST , ADS, Matlab ,code blocks ,Proteus, labview,opti sim, Modelsim & Pycharm.**

Training and jobs

El Shorouk Academy Teaching Assistant (20_September 2022)

Eng Waleed El safori mobile backage (21 September 2021)

INTERPERSONAL SKILLS

- Leadership
- Teamwork and Collaboration
- Communication Skills
- Problem Solving
- Decision Making
- Creative thinking
- Quick learning

Languages

- **Arabic:** Native Language.
- **English:** Very good English.
