Education

2021 to present Preparing MSc in Chemical Engineering, Faculty of Engineering, Cairo University.
Title: Production of lightweight refractories from waste materials.
2015 - 2020 BSc in Chemical Engineering, Faculty of Engineering, Cairo University.
Final Grade (Very good).
Graduation Project: Production of Hydroxyapatite from waste fish scales, Grade (Excellent).

Work Experience

2/2021 to Present Teaching Assistant in Chemical Engineering Department, High institute of Engineering, El-Shorouk Academy.
11/2020 to 1/2021 Teaching Assistant in Chemical Engineering Department, Higher Institute of Engineering and Technology, Menofia.

Teaching Courses

– General Chemistry for Preparatory year. – Mass Transfer and advanced Separation methods.
– Inorganic Analytical chemistry. – Mechanical Unit Operations.
– Inorganic Chemical industries. – Momentum transfer.
– Fundamentals of chemical engineering – Fourth year lab

Trainings

8/ 2019 to 9/2019 Khalda petroleum Co.
7/ 2019 to 8/2019 Egyptian petrochemical holding Co.
8/ 2017 to 9/2017 Abu Zaabal fertilizer & chemical Co.
7/ 2017 to 8/2017 National steel fabrication (NSF) Co.

Skills

Linguistic: English language written/spoken

Soft ware skills: Microsoft office (Word – Excel – PowerPoint – visio) , Matlab.

Communication skills: Very good.

Extra Activities

2021 to present Member of quality assurance team responsible for strategic planning, educational programs and courses, accreditation in Chemical Engineering Department, El-Shorouk Academy.

2016 DCR Member at AIChE .
Attended Human Resources sessions at AIChE.
Organizer at AIChE Empower your Career Conference.

Extra Information

Birth date 16/11/1997
Birthplace Doha/Qatar
Nationality Egyptian
Marital status Single
