

Mohammed Mokhtar Abdelatif Zayed

Eltoud – beside elfatah mosque
Koumhamade – behira – Egypt
Tel: 01025614013
e-mail: m.mokhtar@sha.edu.eg

PERSONAL INFORMATION:

Date of Birth: 24 may - 1990
Gender: Male
Marital Status: Married
Nationality: Egyption
Military Service: Exempted
Home phone: 045-3762693
Correspondance address: Altoud post office-koumhamada-behira

EDUCATION:

<ul style="list-style-type: none">□ Bachelor of communication engineering (Elshrouk academy – The higher insititute of engineering) With degree excellent (honor degree).□ Master of Science (MSC) from Ain-Shams University, faculty of engineering, electronics and electrical communication department in the field of solar cell design systems. "Design of PV modules including a layer between solar cells and glass cover to increase PV module lifetime".	2012/2013 2018/2019
---	----------------------------

EXPERIENCE:

▪ Training in the field of mobile	2012
▪ Training in power station company in the field of control	2011
▪ Learing English languadge	2008/2009
▪ Getting the (ICDL) and excellent to use the Microsoft office (Word – PowerPoint – excels).	2010/2011
❖ Works as a demonstrator in Alshorouk Academy (the higher institute of engineering) in Physics and Mathematics Engineering Department in teaching physics.	2013-2021

TRAINING:

Mobile phone company – Egypt Mobile phone towers – 3 days	2012
Elnobarria company for electric generation Control (PLC) – 12 day	2011

SKILLS:

Language	Fluent in Arabic and good in English
Computer knowledge	Windows, Microsoft office(Excel – word – powerpoint) Introduction to java , matlab ,vhdl
Other skills	<ul style="list-style-type: none"> ❑ I work under any compression and under any cases. ❑ Excellent to use computer and internet. ❑ Excellent in reading and writing English language. ❑ Excellent to reach the information to the others and discuss them by using the scientific methods. ❑ More reading and searching about the new in the scientific subjects and researches from books and the internet. ❑ Excellent to do the scientific researches and getting the different information from books and the internet. ❑ Love the work and specially the team work very much. ❑ I work very hard in my study and I wish to reflect it in my career.

GRADUATION PROJECT:

<ul style="list-style-type: none"> ❑ Long term evolution (LTE) coverage and capacity access network dimensioning. ❑ Degrees : Excellent.
--

ACHIEVEMENTS:

- ❑ I was the team leader of the graduation project (Long term evolution (LTE) coverage and capacity access network dimensioning), and scored a grade of "Excellent".

KEY SKILLS:

- ❑ Leader , Hard worker , Creative , Problem Solver , Handless Stress.

PERSONAL INTERSTS:

- ❑ I like Technology , Reading , Movies and Food.

OTHER INFORMATION:

- ❑ The first installment on acumulative total **(93.26)** with degrees "Excellent with honor degree".
- ❑ Was nominated for the award ideal student in the university city in to consecutive years 2011 and 2012.
- ❑ Get the first centers in the various stages of education , whether primary or middle school or secondary school level.
- ❑ Attendance atraining course entitled "Teaching Strategies and Effective Learning" during the period 16/09-17/09/2018 in the National Authority for Quality Assurance and Accreditation.
- ❑ Attendance the intersol 2019 -3rd EAI "International Conference on Innovation and Interdisciplinary Solutions for Underserved Areas", in faculty of engineering,Ain-Shams University on the 14th &15th of February,2019.
- ❑ Attendance aworkshop titeled "How to get published with IOP", in faculty of engineering,Ain-Shams University on the 16th of February,2019.
