## LANGUAGE

-Arabic: native language  
-English: good

## EDUCATION

Graduated from Biomedical Engineering Specific Program, Mansoura University class of 2020

Total GPA: 3.03 (very good)

-Registered in master degree

Project:

-Advanced cavitation and liposuction.

## EXPERIENCE

-Biomedical engineer at Cardio Thoracic and Vascular Surgery Center ,Mansoura University  
-member of target charity team.

--Member in liver research institute and hospital.

-Administration of the system at scientific computing center, Mansoura University.

-Helped to establish biomedical engineering department at scientific account center.

-Teacher assistant at Higher Technological Institute of Applied Health Sciences in Dakahlia.

Courses:

-Sales in biomedical engineering By MPCs

-Embedded system By AI academy

-Online English course

## TRAINING

-Oncology Center, Mansoura University.

-Gastroenterology Surgical Center, Mansoura University.

## SKILLS

Soft skills:

Good presentation

Team worker

Computer skills:

Microsoft office

Photoshop
