## Training

- In Arab office for construction.
- IN Almokawloon Al Arab.

## Skills

- **Language skills:**
  - Arabic: Native language.
  - English: V. Good.
  - Local Toefl.
- **Computer skills:**
  - X-steel.
  - SAP 2000.
  - Primavera.
  - AutoCAD.
  - Microsoft Office.

## Courses:

- **PMP course** in Liopard center certificate
- Program and course specifications and evaluation of ILOS for Higher Education Institutes. (EIShourok Academy)

## Publications:

- Two articles accepted to be published in International Journal for Engineering Sector of Al Azher University (JAUES) in 10/2013
  - First Article Title "Risk Management for Agreements of Build, Operate and Transfer Of Ownership BOT"
  - Second Article Title "Quantitative Analysis for Risks of Contracts of Build, Operate and Transfer of Ownership in Electricity Field
- (Sarah Saeed, August-September 2017, "Assumption and Challenges to make a planning and scheduling for Egyptian Khufu pyramid project using Building Information modeling (BIM) in International journal of research in Engineering and Advanced Technology (IJREAT) journal, Volume-5, Issue-4, pages 44-57, Impact value 2.317)
- Creating a Checklist for The Integrity of Value Engineering and Risk Management for Construction Projects (Under publication)

## Conferences attitude:

BIM building information modeling in Cairo University (2015)  
Global Forum for Higher Education and Scientific Research (2020) (Postponed from February to October)

## Membership:

- Egyptian Society of Engineers.
- Federation of Arab Engineers.
