

Curriculum Vitae of Ahmed Nabil

Ahmed Nabil Elsayed Elmallah

Civil Engineer

Address: Banha, Al Qalyubiyah, Egypt

Tel: 0132422872

Mobile: 01022727340

Email: engahmednabilelmallah2015@yahoo.com

PROFILE

RELEVANT SKILLS

Sap20
ETABS 2017
SAFE 2016
Midas 2019
Robot 2018
Revit Structure 2018
Plaxis 2D
CSICOL 8
PCA COL 4.5
AutoCAD 2019
Microsoft Office 2016

EDUCATION

- *Bachelor of Science in Civil Engineering, El-Shorouk Academy, The Higher Institute Of Engineering, Cairo, Egypt, **May 2014** with General Appreciation **EXCELLENT with Honour Degree 93.88 %***
- *Graduation project (design of foundation) grade Excellent.*
- *Master of Engineering Science, **AIN SHAMS UNIVERSITY** from 10/2015 till now (in progress).*

TRAINING

- *Successfully completed the **AutoCAD (2D)** program – jelecom - **2010***
- *Summer training - Elshorouk academy - **2012***
- *Summer training - Elshorouk academy - **2013***
- *Successfully completed the **SAP 2000** program –**2012***
- *Summer training - Nasr City - **2012&2013***
- *Summer training - ICB - Nasr City - **20012&20013&2014***

WORK EXPERIENCE

- Civil Engineer (structural) - dr. / Mohamed rabie consult office (RBC) - From 7/2014 Up to 7/2015

Designing many projects in EGYPT such as:

1. Design of many foundation projects.
2. Design of VILLA – NEW CAIRO CITY.
3. Design of VILLA – ALMOQATAM CAIRO.
4. Review the design of VILLA – BUE ALSHOROUK CITY.
5. Design shoring system for VILLA in united Arab Saudi.
6. Preparation of many soil reports.

- Civil Engineer (structural) - dr. / Tamer sorour consult office (Infinity Engineering Consultation & Quality Control) - From 10/2016 Up to now

Designing many projects in EGYPT such as:

1. Design of many foundation projects.
2. Preparation of many soil reports.
3. Soil reports for El-Azazy compound in ELShorouk city.
4. Design many building in the project of housing the unsafe areas on Belbeis desert road.
5. Design of many foundation projects in capital city.

- Civil Engineer (structural) - dr. / Hani Alzayat consult office - From 7/2015 Up to 9/2016

Designing many projects in EGYPT such as:

1. Design of shoring system for many touristic village such as blue-blue in ain-sokhna city.
2. Design of shoring system for VILLA - El-Tagamu El Khames

- Lecturer – ELShorouk Academy, the HIE - From 9/2014 Up to now

Teaching many courses such as:

1. Structure 1.
2. Plane Surveying.
3. Geotechnical engineering 1.
4. Geotechnical engineering 2.
5. Structure analysis by using computer.
6. Civil engineering drawing by AutoCAD and manual .
7. Design of foundation.
8. Design of advanced foundation.
9. Geotechnical analysis using computer (Midas Program).
10. Soil Dynamic.
11. Soil Improvement.

- Instructor – Super Smart Academy- From 7/2016 Up 9/2018

Teaching many courses such as:

1. Sap2000.
2. AutoCAD (2D).
3. Etabs.
4. Safe.
5. civil engineering preparation
6. Soil tests for fresh graduated civil engineering in Egypt spark center in Nasr city.
7. Soil tests for laboratory technicians in Canadian international college.

- Instructor – Jelecom Company for training - From 6/2018 Up now

Teaching many courses such as:

1. Sap2000.
2. AutoCAD (2D).
3. Etabs.
4. Safe.
5. civil engineering preparation

OTHER SKILLS

- Working in team work.
- Can work under pressure.
- Have the spirit of leading.
- Good in management work.
- Good use of (Theodolite, leveling, Total station).
- very good in English.

CAREER OBJECTIVES

- Seeking a challenging opportunity in where I can further develop my skills and further expand my exposure while utilize the skills & knowledge acquired through studies.
